≋UNILIN

UNILIN Evola-Fibralux® MR Black

Advantages

Surprising colour effect thanks to the contrast in colour between the top layer and the black board.
In perfect colour match with HPL & edging tape for all UNILIN Evola stockrange decors.
- Application in humid conditions
- Easy to clean
- Resistant to UV light
- Budget friendly alternative for 2 sided glued HPL on a black support board
- Easy to process
- 100% recovered wood

Finish

The melamine faced board is possible to have in combination with a wide variety of designs.
The wood decors not only look incredibly lifelike, also the structures feel particularly authentic. Combined with plain colours, basis on international trends, the designs deliver unprecedented freedom in creativity for interior projects.
