

# UNILIN Evola-Belspan<sup>®</sup> Edged

Edged melamine faced non-structural chipboard for interior and furniture available in an extensive range of UNILIN Evola designs.

UNILIN Evola-Belspan Edged is a melamine faced non-structural P2 chipboard. The board is suitable for dry conditions, service class 1, mainly used for interior and furniture and is finished with an edging tape mainly on 2 or 4 sides. UNILIN Evola-Belspan Edged is made from 100% circular wood: up to 85% postconsumer wood, supplemented by wood from waste flows from the wood industry, sustainable forestry or verge management.
