

# UNILIN Evola-Edging tape ABS Endgrain

Edging tape ABS with endgrain design is available in a selection of UNILIN Evola designs

Edging tape ABS quality is a robust edging tape with endgrain look made of plastic and designed in perfect match with the decor and surface finish of the board.

## Advantages

- Available from stock in all UNILIN Evola stockrange decors in different widths
- In perfect colour match with melamine faced board & HPL for all UNILIN Evola stockrange decors
- Solid and scratch resistant
- Resistant to UV light

## Finish

The edging tape is possible to have in combination with a selection of designs. The wood decors not only look incredibly lifelike, also the structures feel particularly authentic. They are designed in perfect colour match with the board and create the look of real wood.

## Available dimensions / thicknesses
